

MEMORANDUM FOR THE RECORD

SUBJECT: The Proposal for Associated Programs for CS Records Training and the Associated Programs for CI Training

1. On 14 January 1965, I was informed by [REDACTED] that he has prepared two papers for [REDACTED]. These endorse the Associated Programs for CS Records Training and the proposal for creation of a CI Information Support Course. The consideration of the CI Fam Course (either shortening the course or otherwise modifying the course is held in limbo until the resolution of the proposal for the CI Operations Course. 25X1A9a
- 25X1A9a 2. As regards the above, [REDACTED] did not indicate whether or not he is to take action to assure staff coordination with Systems Group and with RID.
3. On the same day I talked with [REDACTED] of Systems Group who asked me the status of the proposals. I pointed out that we are taking no action at present, but that we understood that CI Staff was initiating an indorsement of programs as indicated above. He replied that Systems Group is waiting to be asked for formal approval, etc. I suggested that I hoped that the CI Staff endorsement would be coordinated with Systems Group. Frank said he would look out for it. 25X1A9a
- 25X1A9a 4. Conversation with [REDACTED] RID/TRO on 13 Jan indicates that Mr. [REDACTED] also awaits formal request for approval by RID. 25X1A9a
- 25X1A9a 5. In the conversation in para 1 above, [REDACTED] also informed me that [REDACTED] has made an appointment to lunch with [REDACTED] next week. At this time [REDACTED] will be very careful to point out that whereas CI Staff approves of the training proposals as outlined that initiation of the sequential training outlined in these proposals will be [REDACTED] job and that this will be much more difficult than appears on the surface. 25X1A9a

Remarks: 25X1A9a <p>The attached was written by [REDACTED] and has a bearing on my recent paper on the CI Ops Course. Should we also take action in requesting "formal approval" for the Records Training Courses, etc? Or should we let [REDACTED] do the whole job of answering us on the Records Program and CI Program at the same time?</p> <div style="background-color: black; width: 500px; height: 100px; margin-top: 10px;"></div>

It may be that

*will have to speak out to
all concerned - that there
is to be a "sequential"
order in fabricating these
courses, while I do not
expect 100% compliance
it is up to him & to me
to see if it can be
followed. Discuss with*
